

YOU'RE INVITED TO:  
*"DRUG FREE STEUBEN FALL RETREAT"*

**FREE ZOOM RETREAT**

**October 20, 2020**

**9:30am – 11:00am**

**TOPIC: BRAIN & SCIENCE OF ADDICTION**

This Zoom presentation will provide an overview of the neural pathways affected by addiction: how it happens, why it is hard to stop. It will also cover who addiction affects by exploring who is most at risk, and what makes us more or less likely to experience addiction.

**SPEAKER: ERICKA KAUFMAN, LMFT  
STAFF THERAPIST  
NORTHEASTERN CENTER**

**Drug Free Steuben looks forward to having you join us on 10/20/2020, from 9:30 AM -11 AM.**

Please reach out to [angie@letterperfectservices.com](mailto:angie@letterperfectservices.com) to request the zoom link.
